**JUDGE PEARSON**

World Wrestling Entertainment, All Elite Wrestling  
Defendants

I, Anthony Duane Wilson, am asking the court to reopen this case on the grounds that WWE and AEW were served within the time frame of 90 days as shown by return receipts given to the court. Service was done by ~~cert~~ certified mail, by the Plaintiff representing himself at this time. If the court wishes, the 90 days can be reinstated after reopening the case on service by the clerk or U.S. Marshall will be used to reserve the defendants if that pleases the court.
